### **Information Collected**

In general, you can visit this Web site without telling us who you are or revealing any information about yourself. Our web servers collect the domain names, not the e-mail addresses, of visitors. Our web servers also seek (as many Web sites do) to place a "cookie" (a small data file) on your computer's hard drive which allows the server to determine the computer when it visits again, in order to track statistical information about navigation to and throughout certain areas of our site. This cookie is not used to obtain your name or any personal data, and the information that is tracked is used only for internal purposes, such as to improve site navigation and to measure the effectiveness of our promotional placements, and is not shared with anyone other than Arrow affiliates and contractors who assist Arrow in these efforts and are bound to confidentiality. However, if you prefer not to accept cookies, you can set your browser to reject them or to alert you before one is placed.

In addition, there are portions of this Web site where we may need to collect personal information from you for a specific purpose, such as to provide you with certain information you request. The information collected from you may include your name, address, telephone, fax number, or e-mail address.

### **Use of Collected Information**

Domain name information that we collect is not used to personally identify you and instead is aggregated to measure the number of visits, average time spent on the site, pages viewed, etc. We use this information to measure the use of our site and to improve the content of our site.

When other information is collected from you, such as your name and e-mail address, we generally let you know at the time of collection how we will use the personal information. Usually, we use the personal information you provide only to respond to your inquiry or to process your request (such as to receive electronic annual reports or to be added to our supplier diversity database).

We may share the personal information you provide with other companies we have hired to provide services for us. These companies -our vendors -are contractually bound to use personal information we share with them only to perform the services we have hired them to provide. We do not share, sell, or lease personal information about you to any third parties for their marketing use. We will release information about you if you direct us to do so, if we are required by law to do so, or in other legally limited circumstances (for example, to protect your account from fraud).
